Hello schools, parents and carers,

We are delighted to bring you our twelfth edition of Music on the Menu. We have selected music activities that you might like to explore in the classroom, but that can also be shared with those who are learning at home.

### Listening

Why not start the day by listening to beautiful music? Here is a performance by Alison Balsom and the China Philharmonic Orchestra. This piece was written for solo trumpet and orchestra.

**Joie Eternelle**

### BBC Teach - Dance with the Elements

Dances for each of the four elements (air, earth, fire and water) have been choreographed to different pieces of classical music including JS Bach, Karl Jenkins, Aaron Copland, Johann Strauss, Claude Debussy and John Adams. Each dance comes with supporting teacher notes that explore different areas of the curriculum as well as movement and dance.

With the current situation of some pupils at school and some at home, planning for Leavers’ celebrations is particularly tricky, requiring creativity and event organising skills extraordinaire.

Sing Up has created a playlist of songs and activities for pupils to use wherever they are plus ideas to create virtual Leavers’ celebrations that bridge the gap between school and home. We hope you'll find them useful in ensuring you can mark this momentous moment together as a school community.

To explore the playlist, please visit https://www.singup.org/singupathome/leavers-celebrations.
